

# Which lessons are in each unit of the modular IGCSE physics?

## UNIT 1 (Your first exam)

### Term 1

All lessons

### Term 2

All lessons EXCEPT 1, 2 and 3.

### Term 3

Lesson 1 and 9 – 14.

### Term 4

Lessons 1 – 3 and 5

## UNIT 2 (Your second exam)

All the remaining lessons.

These are...

### Term 2

Lessons 1, 2 and 3

### Term 3

Lessons 2 - 8

### Term 4

Lessons 4 and 6 – 15.

*It is recommended you complete the course before attempting the first exam. Although you won't be tested on all the content, it can help with understanding as these units are often not neatly separated. Complete the course and then revise for the specific unit.*
